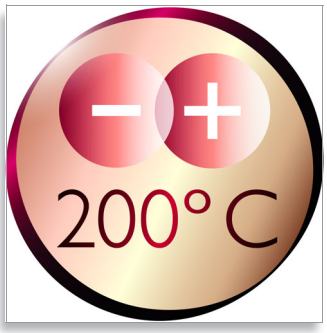
PHILIPS
sense and simplicity

Dryer & Curler
Gift pack Limited edition

HP8292/00

Highlights

200°C professional temperature

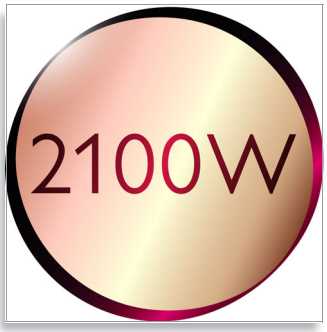


This high temperature enables you change the shape of your hair, and gives you that perfect look you want

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

Professional 2100W



Dryer: Professional 2100W for perfect salon volume

6 heat/speed settings

Dryer: 6 heat/speed setting for full flexibility

Slim styling nozzle

Perfect styling results and a shiny, polished look with a slim styling nozzle for precise styling.

Natural looking curls

With the barrel diameter of 25 mm you can achieve a trendy curly look by creating natural looking, loose curls like no effort went into it.
